Dive Log

Log the numbers you'll use to plan the next dive: your SAC rate, your weighting and what you want to fix.

Dive number _____ **Date** _____

Max depth _____ **Dive length** _____ **Start / end pressure** _____

Average depth _____ **Start / stop time** _____ **SAC rate** _____

Location
Where were you? _____

Exposure suit
Drysuit or wetsuit, thickness _____

Site
Which dive site? _____

Kit
Plate, wing size and so on _____

Environment
Shore, charter, boat, night _____

Weight and placement
Pounds, and where _____

Team
Who you dove with _____

Configuration
Single, doubles, sidemount _____

Plan vs. what happened _____

What I'll work on next _____

Notes _____
